

AAA School Safety Patrol

ADVANCEMENT GRANT

2017/2018 Deadline for Applications: Friday, March 2, 2018

A proud tradition, the AAA School Safety Patrol program began in the U.S. in 1920 and now includes more than 654,000 Patrollers in 34,500 U.S. schools. Students who give their time and energy to make the AAA School Safety Patrol a success are encouraged and supported by school officials, parent-teacher groups, police departments and AAA clubs.

This partnership of concerned adults and children has brought about significant improvements in the incidence of traffic deaths and injuries among child pedestrians. The presence of Patrollers has had a significant impact on the safety of child pedestrians who travel to and from school.

In addition, Patrollers serve as student leaders by demonstrating safe pedestrian habits while helping others understand traffic safety concepts and rules.

The AAA School Safety Patrol Charles M. Hayes Advancement Fund, administered by the AAA Foundation for Traffic Safety, awards AAA School Safety Patrol Advancement Grants, which expand or enhance schools' existing Patrol programs. The emphases are on the safety and educational benefits the program provides to students and the lifesaving contributions to the community.

Please read through the following information before preparing the AAA/CAA School Safety Patrol Advancement Grant application form. Visit AAA.com/SafetyPatrol for more information.
