IMPORTANT PASSPORT AND VISA INFORMATION FOR VISITING

EGYPT

General Tours is pleased to provide its travelers with information and forms to obtain the necessary travel documentation for entry into Egypt.

A passport, valid for at least six months beyond the length of stay in Egypt, is required, as well as a visa, which provides for entry and exit. Egyptian tourist visas are stamped in passports; and, in general, the Egyptian consulate requires one clean visa page (not amendment page) for the visa stamp.

If U.S. citizens need assistance in securing a new or renewal passport, or additional visa pages to your passport, please contact CIBT at 1-800-406-1523, Monday - Friday, 9:00am - 5:00pm, CST. Information on current State Department requirements, forms, and fees will be provided to you at the time of your call.

NOTE: Expedited passport processing normally takes 5-10 business days, and visa processing can only commence after passport processing is concluded. Please be sure you contact CIBT for specific information in urgent situations prior to forwarding your documentation.

Requirements, forms, and fees for U.S. citizens, which are subject to change without notice, are given on the attached "VISA ORDER FORM." Travelers who are not U.S. citizens can call CIBT at 1-800-406-1523 for nationality specific information and requirements.

Please use the checklist in the "Requirements are Per Person" section of the Visa Order Form to correctly identify the documentation that should be forwarded to the CIBT office. Please remember to include the appropriate shipping and handling charges in your total. All passports are returned via FedEx to the address you provide in the "Return Shipping Address" section.

Please complete all questions in block lettering on the enclosed two-page visa application form, and sign the form using blue or black ink. Please refer to the guidelines on the following page in answering all blanks on the form. Then, attach required number of photographs (as indicated on the Visa Order Form), where applicable.

Photograph guidelines: approximately 2" x 2", in color, official passport-type presenting a full frontal facial view on a clear background, and should be recent enough to represent a good likeness of the passport holder.

Please do not send your documentation to the CIBT office **more than 30 days prior** to your tour departure. The approximate processing time required to obtain your requested visa (DO NOT include shipping days to and from the CIBT office):

Egypt: 14 business days

Please calculate the total number of days required to process your travel documentation requests (either visa alone or passport/visa together), and consider the date you forward documentation *to the CIBT office* and the date you require the passport *to be returned to you prior to your tour departure*. Then indicate either "normal" or "rush" processing time/fees on the Visa Order Form for either one or two travelers.

NOTE: If you have traveled to the country(ies) indicated as requiring visa(s) in this Visa Information Brochure, please review your passport for an existing multiple-entry visa that may still be valid for the dates of this trip. Please be advised that upon receipt of your documentation package in the CIBT office, CIBT will initiate processing of the requested visa(s). If a visa(s) is not granted due to a pre-existing valid visa, etc., applicable consular fees may be charged, and a \$25 CIBT "stop process" fee will be assessed, per passport.

CIBT will not be able to provide guidance on the validity of visas without actually receiving and reviewing your passport.
