

TIPS FOR PLANNING A *Honeymoon* FROM AAA TRAVEL AGENCY

To ensure the best honeymoon experience, work with a highly qualified Honeymoon Specialist at AAA Travel Agency to find the destination, activities, amenities and locale you'll both enjoy.

- Purchase your complete honeymoon in advance, including your air, hotel and activities.
- Make sure to leave at least one day in between your wedding day and your honeymoon trip. Most flights leave in the early morning, so make sure you have enough time to get to the airport.
- Make your honeymoon an unforgettable experience with fun activities for you and your partner to enjoy, such as sightseeing, day trips, swimming with dolphins, snorkeling and more.
- Attention brides! Your passport is issued in your maiden name, so make sure information on your air and hotel reservations matches your passport and any other required travel documentation.
- Bring a copy of your marriage certificate to provide proof of marriage and take advantage of exclusive amenities for honeymooning couples.
- Let your guests contribute to your trip by having our agents create registry at AAA. Friends, family and wedding guests will have the opportunity to put money down on your honeymoon as a gift.
- Take advantage of exclusive discount offers from AAA's many Preferred Partners. Also, consider a thrilling and memorable out-of-town bachelor or bachelorette party for your guests.
- This is a trip of a lifetime, so consider flying first-class, upgrading your room to a suite or selecting a hotel that caters to honeymoon couples.
- Go for the all-inclusive honeymoon package that includes food, beverages, accommodations and amenities, it's one less thing on your mind.
- Once you arrive at your honeymoon destination, enjoy yourselves! Indulge, relax, rejuvenate and make sure both of you are enjoying your honeymoon.
