It does not provide Liability, Property Damage, Fire or Theft Insurance.

Eligible dependent children of Primary Members, up to the age of 19, are covered by the Primary Member's insurance (Section Three).

If the Member and his spouse, who is also a member, should both be killed as a result of a covered accident, a Common Disaster benefit totaling \$10,000 will be paid in addition to benefits described in Section One. Read Section Four carefully for complete details.

With the thousands killed and injured each year on streets and highways, AAA seeks, in this way, to bring help in time of trouble should you be one of those unfortunate victims.

Notice given by or on behalf of the Member or the beneficiary to Us or the Club office, or to any authorized agent of Ours with information sufficient to identify the Member, shall be deemed notice to Us.

CLAIM FORMS: We or the Club, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished for filing proofs of loss. ### **This is Not Medicare Supplement Insurance**

Some health care services paid for by Medicare may also trigger the payment of benefits under this policy.

This insurance provides limited benefits, if you meet the policy conditions, for hospital or medical expenses that result from covered accidental injury. It does not pay your Medicare deductibles or coinsurance and is not a substitute for Medicare Supplement insurance.

Medicare generally pays for most or all of these covered expenses. Medicare pays extensive benefits for medically necessary services regardless of the reason you need them. These include:

- hospitalization
- physician services
- other approved items and services

This policy must pay benefits without regard to other health insurance benefit coverage to which you may be entitled under Medicare or other insurance.

If membership dues and additional premium for succeeding years are paid subsequent to any annual expiration date, then the insurance again becomes effective on the date that the membership dues and medical expense additional premium are received by the Club and continues in effect until the next annual expiration date of membership.

This Rider does not extend to the Member the additional insurance granted herein for snowmobile or motorcycle accidents covered by any other rider to the policy.

Except as herein stated, this Rider shall not change, alter or amend in any respect of any of the conditions, provisions and limitations of the policy:
