islands

[by land and sea]

Escaping to an exotic island paradise is one of the most alluring ways of getting away from it all. Amazing experiences await, whether you're looking to relax surrounded by white sand beaches and resplendent turquoise waters or explore ancient ruins, rainforests and underwater caves.

Do as much or as little as you like. There are adventures for every age... diving among colorful reefs, parasailing high above the sea, sailing an America's Cup sailboat, floating in an aqua park, having an encounter with dolphins, strolling the streets of Old San Juan or perusing the many shops and boutiques in St. Thomas.

Choose to cruise and see more than one island while enjoying the comfort of unpacking but once. Or pick the island that sounds the most magical to you and stay in resorts with spas, only steps away from the beach or a quaint town.

See the unforgettable Key West sunset, play for a day on a private island, stroll through a Zen garden, or while away the day poolside. In the Bahamas, marvel at the pink-sand beaches, pastel houses and shorts in every shade. Snorkeling, swimming, shopping or golf—take your pick!

Travel a little further from home to discover why the six Islands of Aloha are home to treasures unlike any other on earth. From the dramatic cliffs of the Napali Coast on Kauai to the vibrant shores of Waikiki Beach on Oahu, or the summit of Haleakala on Maui, it won't be easy choosing which island to visit on your trip to Hawaii.

Your AAA Travel Consultant can help you sort through all the choices and find that perfect vacation for you! Call today and escape to your own island paradise.
